You will use this set for a while, but by the time you start routinely using those #4/0 lures, (Florida L18) start looking for heavier equipment, Good luck.. You will use this set for a while, but by the time you start routinely using those #4/0 lures, (Florida L18) start looking for heavier equipment, Good luck.. A good dlc for bass fishing! (Worth the money aswell). You will use this set for a while, but by the time you start routinely using those #4/0 lures, (Florida L18) start looking for heavier equipment, Good luck.. Cool rod really but i would suggest this to a level 14 and up player. not a level 1 and just because of the weight limit on rod . Since there is low weight fish in the first lake a 17pound rod will penalize you on XP big time.
